BUG REPORT for TEST CASE

July 1, 2022

Description:

The "See All Bots" button does not work.
Win function is not responding.

Steps to Reproduce:

1. Go to localhost:3000.
2. Click the button "See All Bots"

Expected Result:

1. Page should be populated with robot cards of all robots in our system.
2. No errors should be logged.
3. A you win message should pop up when your card is a winner player.

Actual Result:

1. Clicking button does nothing on the   page
2. Clicking button produces errors in the Browser console
3. Still gives a you loose message even when you win.

Environment:

1. Chrome 103.0.5060.53
2. MacBook, macOS Monterey, Version
